Message from the Vice Chancellor

Gokhale Institute of Politics and Economics (GIPE) was established in 1930 by the Late Rao Bahadur R.R. Kale, M.L.C., as a centre for higher learning and research in economics in remembrance of the great Indian nationalist leader Shri Gopal Krishna Gokhale. The Servants of India Society is the sponsoring trust of the Institute. Since those days, it has evolved into a premier institute of advanced study in economics and allied subjects with faculties and alumni who have distinguished themselves nationally and internationally as academicians, policy-makers and consultants.

Gokhale Institute of Politics and Economics (GIPE) has been widely recognized for its pioneering contributions in the subjects of Rural Development, Co-operation, Poverty Alleviation, Employment Guarantee, Crop Insurance, Planning, Federal Finance, Input-Output Economics, Agricultural Development, Irrigation and Demography and in several other areas related to the social and economic problems of India.

GIPE's excellence as an Institute of higher learning has been recognized both in India and abroad. The Reserve Bank of India, Ford Foundation, Planning Commission and Kamalnayan Bajaj Foundation have each instituted Chairs for distinguished faculties in Finance, International Economics, Planning and Development, and Industrial Economics respectively at the GIPE.

Although primarily a research Institute, GIPE is also renowned for the robust teaching programme leading to award of M.A./M.Sc., B.Sc. and Ph.D. degrees in Economics, initially of University of Bombay and later of University of Pune. In 1993, the Institute was recognised by University Grants Commission as a Deemed to be University.

An important aspect of its evolution as an eminent Institute of Economics is the increasingly inter-disciplinary approach to the subject. In accordance with this approach and to enhance its role as a Deemed University, the Institute has launched three new Masters programmes in Financial Economics and Agribusiness Economics (from July 2011) and International Business Economics and Finance (from July 2015). In addition, the Institute has considerably expanded its Ph.D. programme to 52 registered students. The Institute has student and faculty exchange programmes with the University of Goettingen.

The Institute has pleasure in presenting the Annual Report of its activities for the year 2023-2024.

Vision and Mission Statement

Vision: To conduct research, education and extension on the foremost social and economic problems at national and international levels with the aim of providing viable solutions for decision makers for the betterment of human life.

Mission: Gokhale Institute of Politics and Economics strives to undertake research and provides education in all the fields of economics with the singular purpose of contributing its might to enhance economic betterment and social welfare in the country.

Board of Management

Composition of the Board of Management (as on June 30, 2023)

15		Member		Prof. Manoj Kar, Professor, Indian Institute of Education, Pune
16	Registrar	Non-Member Secretary	Ex-Officio	Col; Kapil Jodh, Registrar, Gokhale Institute of Politics and Economics, Pune

About the Institute

Gokhale Institute of Politics and Economics is one of the oldest research and training institutes in economics in the country. It was founded on the 6th of June 1930 with an endowment offered to the Servants of India Society by the late Rao Bahadur R.R. Kale, Member of the Legislative Council from Satara. The Servants of India Society, founded by the late Shri Gopal Krishna Gokhale, is the Trustee of the Institute. The Institute is registered under the Societies Registration Act, 1860, and the Bombay Public Trusts Act, 1950.

The objective of the Institute has been to conduct research into the economic and political problems of India and to train research workers in these subjects. Under the pioneering leadership of the late Professor D.R. Gadgil, its first Director, the Institute set the highest standards for quality research, teaching and training in a number of branches of economics.

Keeping in view the eminence of the faculty, the contribution the Institute has made in teaching, training and research in economics, availability of physical infrastructure and potential of the Institute, the Government of India, on the advice of the University Grants Commission, awarded the Institute the status of a Deemed to be University on May 9, 1993, the birth anniversary of the late Shri Gopal Krishna Gokhale after whom the Institute is named. In the year 2016, the National Assessment and Accreditation Council (NAAC) has re-accredited the Institute with grade A, the highest accreditation rating of that time. The Institute has also given 12-B status by the University Grants Commission in 2018.

Research

The main thrust areas of the Institute, which have developed over the years through financial assistance from various sources, are agricultural economics and rural development, population studies, input-output studies for planning and development, microeconomics, macroeconomics, monetary economics and finance, public economics and international economics.

Various ministries and public funding agencies, including the Government of Maharashtra and private foundations such as Sir Dorabjee Tata Trust, financed the research activities of the Institute in its early years. Subsequently, in 1954, the Union Ministry of Food and Agriculture established, and has supported since then, the Agro-Economic Research Centre of the Institute. During the early fifties, the Rockefeller Foundation made a substantial grant, spread over several years, for the conduct of a research programme in rural demography. By the time this grant period came to an end, the Union Ministry of Health, which had given grants for conducting some specific demographic studies

in 1954-57, decided in 1964 to strengthen and expand the research work on population by financing, on a continuing basis, a Population Research Centre as an integral part of the Institute. The Ford Foundation gave very generous financial assistance for more than a decade beginning in the year 1956. Later, the Foundation, in collaboration with the Planning Commission, provided a separate grant for research and training in the areas of planning and development, mainly devoted to input-output studies. The Planning Commission has also given an endowment grant to the Institute to establish a chair and a unit for promoting teaching, research and informed debate on all issues relating to planning and development. The above-mentioned chair is named the 'Professor D.R. Gadgil Chair of Planning and Development'.

In 1962, the University Grants Commission recognised the Institute as a Centre of Advanced Study in Agricultural Economics, and later, in 1964 as a Centre of Advanced Study in Economics. In 1977 the UGC, as a part of its Area Studies Programme, established a Centre of Study of the Economies of East European Countries. In the same year, the Reserve Bank of India instituted a Chair of Finance. In 1989, the Ford Foundation gave a generous endowment grant to fund a chair and to establish a section in international economics to carry out research activities in international economics and related subjects. This grant also included support for the post of a Librarian and for acquisition of books and journals. Similarly, in 2005 the Kamalnayan Bajaj Trust gave a generous grant to fund a chair of economics.

The University Grants Commission, New Delhi, has sanctioned the Centre for Study of Social Exclusion and Inclusive Policy (CSSE & IP) in 2008 to carry out research and teaching in the areas of social exclusion, discrimination and inclusive policy. One outreach centre, namely Dhananjayrao Gadgil Centre for Sustainable Village Development was started in the Institute in 2016 to make the villages aware about the research activities done in agriculture and sustainable rural development, by continuous engagement at grass root level activities.

Teaching

The Institute was initially affiliated to the University of Bombay, conducting the M.A. Programme in economics and supervising the work of students working towards research degrees of that University. In 1949, with the establishment of the University of Poona, the Institute became a constituent recognised institute of the new University. Till 1993 the Institute functioned, for all academic purposes, as the Department of Economics of this University. With the decision of the University to establish a separate Department of Economics at its campus, the Institute, as a Centre of Advanced Study in Economics, was granted effective autonomy in 1986 in designing courses, teaching and examination of the M.A. degree in economics. As stated earlier, the Institute has been granted the status of a Deemed to be University by the Government of India with effect from May 9, 1993. The Institute now awards its own M.Sc. and Ph.D. degrees in economics and its allied subjects. After acquiring the new status, the syllabi of the courses offered at the Institute were thoroughly revised on

the basis of the recommendations of a committee constituted for the purpose. Courses in the Master's programmes of the Institute are being regularly updated on the recommendations of Board of Studies and Academic Council. At present the Institute offers six post-graduate programmes, viz., M.Sc. Economics, M.Sc. Economics (Financial Economics), M.Sc. Economics (Agribusiness Economics) and M.Sc. Economics (International Business Economics and Finance), M.Sc. Economics (Population Studies and Health Economics), M.Sc. Economics (Public Policy). From the academic year 2014-15, the Institute begun awarding M.Sc. degree instead of M.A. degree, with inclusion of an increased number of papers with upgraded syllabus and focus on quantitative techniques and their applications. Starting from the academic year 2019-2020, the Institute has initiated an undergraduate programme B. Sc. (Economics) which is a three year programme. From 2020-2021, another Masters Programme namely M.A. (Economics) has been started to equip the students to compete in Civil Service and other public services, besides teaching on the core subject areas of Economics. From the academic year 2019-2020, the Institute has started a three year undergraduate programme in Economics.

Training

In April 1989, the University Grants Commission selected the Institute and extended assistance to it for conducting refresher courses in economics for in-service university and college teachers from the western region of the country. In 1994, a year after the grant of Deemed to be University status to the Institute, the UGC extended the catchment area of the Institute for its refresher courses to the entire country. Since the inception of this scheme by the UGC, the Institute had conducted several UGC - sponsored refresher courses for university and college teachers in the past. Now, Institute conducts periodical training programmes on statistical techniques, creation of Input-output tables to Government officials. Besides, it also organizes several workshops and faculty development programmes for government officers and teachers from across the country from time to time.

Research Centres at the Institute

The Institute has three research centres established by the Central Government and University Grants Commission, and three more research centres established with the grant of private donors.

Agro-Economic Research Centre (AERC)

The Agro-Economic Research Centre (AERC), Pune was established by the then Union Ministry of Food and Agriculture in 1954. It has been an integral part of the Institute since its inception.

In 1962, on the basis of the quality and extent of work done by GIPE, its professional reputation, its contribution to research in agricultural economics and its potential for further development, the University Grants Commission selected it as a Centre of Advanced Study in Agricultural Economics, which was mainly attributed to the studies conducted by AERC. Two years later in recognition to the works of other centres and studies of the Institute, UGC re-designated the Institute as a Centre for Advanced Study in Economics (CASE).

The Centre also conducts studies allotted to the Institute by various agencies such as the Government of Maharashtra, NABARD and Planning Commission (now NITI Aayog), Government of India.

The AERC has completed about 185 studies since its inception. Its activities cover Farm Business Surveys, Studies related to Irrigation, Watershed Management, Rural Electrification, Village Surveys, Rural Credit, Agricultural Tenancy, Co-operation, Droughts and Famines, Crop Insurance, Agricultural Marketing, Agricultural Exports, Poverty Alleviation, etc.

A large number of these studies have made significant contributions to the field of agricultural economics and agricultural development of the country. These studies have been widely recognized by policy-makers and academicians and serve as benchmarks of excellence in their respective fields.

Population Research Centre (PRC)

‘Population Studies’ at the Institute predate the formulation of population policy, establishment of the family planning programme by the Government of India and founding of Population Research Centres. The Institute has played a pioneering role in conducting demographic surveys in India.

A demographic survey of Kolhapur city in 1945 made a lasting contribution towards evolving and establishing a standardized methodology of demographic surveys. A research centre in demography was set up at the Institute in 1949. This was the first of its kind in the country. The Union Ministry of

Health and Family Welfare had given grants to the Institute for conducting specific studies during 1954-57. In 1964, the Ministry decided to strengthen and extend the research work on population by establishing a Demographic Research Centre as a part of the Institute. In 1978-79, in pursuance of the recommendations of the Demography Advisory Committee, the Centre was re-designated as a Population Research Centre for the State of Maharashtra. It has earned the distinction of being included in the category of 'fully developed' centres according to the norms of the Ministry of Health and Family Welfare.

In the fifties, when no information on demographic issues was available, the Centre started its work by conducting demographic surveys and thus contributed in a major way to the area of survey methodology. After the launch of the family planning programme at the official level, the Centre contributed in the same by actively participating in the implementation of the sterilisation programme and by undertaking communication-cum-action studies. Evaluation of the after-effects of vasectomy camps and acceptance of the loop as an IUD gave valuable inputs about the methods of family planning.

Various dimensions of the family planning programme at its different stages, starting with its communication methods and including several of its other aspects such as compulsion during the emergency, adoption of spacing methods, maternal and child health, withdrawal of the targets, RCH approach of the programme, RTI/STI, client satisfaction and unwanted pregnancies, etc. have been studied by the Centre. The work of NGOs in the field of family welfare has also been evaluated. In recent years, evaluation of the sterilisation bed reservation scheme, functioning of family welfare training institutions, ultrasound sonography centres and urban health posts has been carried out.

In the area of data collection on a wide scale, the Institute has independently carried out or participated in major surveys in 1980s and 1990s (NFMS, 1980; NFHS, 1992-93; and RCH Baseline Survey, 1998). Apart from evaluative and fact-finding surveys, many analytical studies are carried out. A study on the cost of health care in public hospitals in Maharashtra was completed. The Centre has completed two rounds of a World Bank-sponsored research study on the quality of health care (client and provider satisfaction) in India/Maharashtra. The demography of India's tribal population is another completed research project. Later, the Centre is involved in activities related to the strengthening of the Health Management Information System (HMIS), an initiative of the Ministry to collect the district and facility level health data on a monthly basis. Currently, the Centre is fully engaged in undertaking the work of monitoring Programme Implementation Plan (PIP) of various health schemes across districts of Maharashtra.

Centre for the Study of Social Exclusion and Inclusive Policy (CSSE&IP)

CSSE&IP is a multi-disciplinary research centre established by the UGC in the year 2008 (as part of the Eleventh Plan) to carry out research and teaching in the areas of social exclusion, discrimination and inclusive policy. Its key objective is to conceptualize and define problems related to discrimination, exclusion and inclusion based on caste, ethnicity and religion. It focuses on developing an understanding of the nature and dynamics of exclusion and discrimination at both theoretical and empirical levels.

Centre for Sustainable Development (CSD)

The Centre was established on 1st January 2023, and is rapidly rising to be a hub for trans-disciplinary research and evidence-based action in sustainability. The CSD's approach moves beyond merely addressing symptoms, focusing instead on identifying and tackling root causes through evidence-based levers of change. CSD works on the principles of Ecological integrity, Trans-disciplinarity & Systems approach, that leverages community Participation and ensures replicability in a wider geographic setting.

The CSD focuses its operations across several critical thematic areas such as Renewable Energy / Bio-Economy, Rural Development / Climate Resilience, Circular Economy / Urban Challenges, Marine Pollution and Policy/Socio-Economics.

Centre for Excellence in Entrepreneurship Development (CEED)

The Centre for Excellence in Entrepreneurship and Development (CEED), along with the deAsra Centre of Excellence in Nano Entrepreneurship, is an entrepreneurship policy research and advocacy center established on 15th August 2022 at the Gokhale Institute of Politics and Economics (GIPE).

The vision of the Centre is to put research in business and entrepreneurship into practice and achieve betterment of society through nurturing values of entrepreneurship and self-employment. It will bring together thought leaders from academia, industry and policy to critically discuss current issues in entrepreneurship, as well as to generate new ideas and devise new solutions. This discourse will be driven by evidence based action research and will address a wide range of issues faced by diverse segments including unorganized "Nano" enterprises, women and youth led businesses. The Centre also serves as a link between students seeking experience solving the real world challenges facing small business, and businesses seeking to utilize GIPE's resources. To achieve these goals, the Centre will adopt a multi-pronged approach by conducting interdisciplinary, evidence-based research that will guide and inform policy making, enablers and influencers of entrepreneurship.

The broader objectives of the Centre are as follows:

- Putting research into policy and practice, by applying new methods of data collection and analysis of enterprises at the ground level.
- To conduct research projects and fieldwork-based analytical studies of large and complex datasets on MSMEs and innovation, and longitudinal analysis of policy changes affecting business firms.
- To disseminate the Centre's work to be used by enablers, policy-makers and regulators in India and abroad.
- To create a network of people and organizations involved in small business and entrepreneurship research, policy, education, support and advice.
- To create meaningful opportunities among students, faculty, and the business community to network and exchange their ideas, knowledge, and experience in small business and entrepreneurship.

Centre for Health Policy and Systems (CHPS)

The Centre for Health Policy and Systems (CHPS) at Gokhale Institute of Politics and Economics (GIPE) was established on May 03, 2022 to consolidate Gokhale Institute's portfolio of work on health policy and systems into a coherent whole. The Centre is committed to expanding research on health policy and systems, contributing to health policy and practice, and better engaging with the current policy and scholarly discussions on universal and equitable health coverage in India and beyond.

Besides these three centres, the Institute also houses four prestigious Chair Professorships, viz.,

1. RBI Chair Professor of Finance whose unit conducts research and teaching in Monetary and Financial Economics (funded by Reserve Bank of India).
2. D.R. Gadgil Chair Professor of Planning and Development (funded by Planning Commission of India).
3. Ford Foundation Chair Professor of International Economics (funded by Ford Foundation).
4. Kamalnayan Bajaj Chair Professor of Industrial Economics (funded by Kamalnayan Bajaj Foundation).

The Institute also has one extension centre namely Dhananjayrao Gadgil Centre for Sustainable Village Development which works at grassroots level in areas for bring about awareness towards sustainable development projects.

Details of Academic Staff for the year 2024-25

Sr. No.	Name of the Faculty Member	Designation	Specialization	Qualification
1	Dr. Rajas Parchure	Senior Professor	Economic Theory,	Prof. Rajas Parchure
2	Dr. Deepak Shah	Professor	Agricultural Economics	M.Sc. (Agr.), Ph.D.
3	Dr. Sangeeta Shroff	Professor	Agricultural Economics	M.A. (Eco.), M.Phil., Ph.D.
4	Dr. Kakali Mukhopadhyay	Professor	Energy Economics, Environmental and Resource Economics, International Trade and Environment, Regional Economic Integration, Air Pollution and Health, Nutrition and Health, Innovation and R&D, Input-Output Modelling, Global CGE Modelling (GTAP)	M. A. (Eco.) M. Phil. (Eco.), Ph. D.
5	Dr. Prabhash N. Rath	Documentation Officer (Professor)	Bibliographical Control, Knowledge Organization, RM. Research and Publication Ethics	M. Lib. & Inf. Sc., Ph.D.
6	Dr. Anjali Radkar	Professor	Population and Health	Ph.D
7	Dr. Jayanti Kajale	Professor	Agricultural Economics	M. A. (Eco.), Ph. D.
8	Dr. Kailas Thaware	Professor	Financial Institutions, Forestry Economics, Co-operation	M.A. (Eco.), M.Phil., Ph.D.
9	Dr. Prashant Bansode	Professor	Sociology of Agrarian Society, Marginalized Groups and Social Movements	M.A. (Sociology), Ph.D.
10	Dr. Ranjit Pattnaik	Visiting Professor	Macroeconomics	PhD
11	Dr. Gurudas Nulkar	Professor	Sustainable Development, Ecological perspective of economic models	Ph.D in industrial sustainability and environmental management

Sr. No.	Name of the Faculty Member	Designation	Specialization	Qualification
12	Dr. Dhanmanjiri Sathe	Professor	Political economy of land acquisition, Local governance, Institutional economics	Ph.D.
13	Dr. Anurag Asawa	Professor	Mathematical Economics, Econometrics	M.A. (Eco.), M.Phil., Ph.D.
14	Dr.K.S. Hari	Professor	Development Economics, Public Economics	M.A., M. Phil., Ph.D.
15	Mr.R P Gupta	Professor of Practice	Economics and Public Policy	M.Sc. Economics
16	Dr. Ramanathan Venkateswaran	Professor of Practice	Computer Science	Ph.D in Computer Science
17	Dr.Naresh Bodkhe	Associate Professor	Law and Economics, International Economics	M.A. (Eco.), Ph.D.
18	Dr.Sabyasachi Das	Visiting Associate Professor	Political Economics, Public Economics	Ph.D. (Eco.)
19	Dr.Atreyee Sinha Chakraborty	Associate Professor	International Economics, Environmental Economics	M.Sc. (Eco.), M.Phil., Ph.D.
20	Dr.Prakash Vhankhade	Associate Professor	Agriculture Economics	Ph.D. (Economics)
21	Dr.K.S. Reddy	Associate Professor	Monetary Economics and Banking	M.A. (Eco.), M. Phil., Ph.D.
22	Dr.Lalitagauri Kulkarni	Associate Professor	Financial Economics	M.A. (Eco.), Ph.D.
23	Dr.Vini Sivanandan	Assistant Professor	Demography	M.Sc. (Maths.), M.P.S., Ph. D.
24	Dr.Suddhasil Siddhanta	Assistant Professor	Demography, Environment and Resources Economics, Development Economics, Spatial Economics/Econometrics, Microeconomics	M.A. (Eco.), Ph.D.

Sr. No.	Name of the Faculty Member	Designation	Specialization	Qualification
25	Dr. Prema Borkar	Assistant Professor	Agricultural Economics	M.Sc. (Agri.), Ph.D.
26	Dr. Dilip Kajale	Assistant Professor	Agricultural Economics, Market and Marketing of Agro Food and Supply Chain in Agriculture	M.Sc. (Agri.), Ph.D.
27	Dr. Amruta Suryavanshi	Assistant Professor	Agricultural Economics and Public Economics	M. A. (Eco.) Ph.D. (Eco.)
28	Dr. Neha Dhanawade	Assistant Professor	Statistics	M.Sc. (Stats.), Ph.D.
29	Dr. Savita Kulkarni	Assistant Professor	Development Economics, Experimental Economics	M.A. (Eco.), Ph.D. (Eco)
30	Dr. Bal Govind Chauhan	Assistant Professor	Population Studies	MPS, M. Phil., Ph.D.
31	Dr. Pooja Thakur	Assistant Professor	International Economics and Econometrics	M.A. (Eco), Ph.D., SET
32	Dr. Saylee Jog	Assistant Professor	Micro Economics, Development Economics	M.A. (Eco), NET
33	Dr. Ketaki Barve	Assistant Professor	Food Science and Technology	PhD. (Food science and Technology)
34	Dr. Balu Pawde	Assistant Professor	Economics of Distribution, Development Economics	M.Sc. Economics
35	Mr. Mohit Kumar Shrivastav	Assistant Professor	Macroeconomics	M.Sc. Economics
36	Dr. Kiran Limaye	Assistant Professor	Microeconomics	Ph.D. (Economics)
37	Dr. Pradeep Kamble	Assistant Professor	Public Finance	Ph.D. (Economics)
38	Dr. Dayakar Peddi	Assistant Professor	Agriculture Economics	Ph.D. in Economics,
39	Dr. Nanaji Shewale	Chief Librarian	Digital Library	A.D.I.S., Ph.D.
40	Dr. Bipin Nargide	Assistant Librarian	Library and information Science	Ph.D. in Library and Information Science

Projects Completed and In-Progress

A) Projects Completed (2023-2024)

Funded/Supported by Grants

i) Ministry of Agriculture, Government of India, New Delhi

1. “Agriculture Infrastructure Fund (AIF)- Impact Assessment Study” by Jayanti Kajale and Deepak Shah. Sponsored by AIF Division, Ministry of Agriculture and Farmers Welfare, GoI.
2. “Pradhan Mantri Kisan Samman Nidhi (PM KISAN)” by Jayanti Kajale, Deepak Shah and Dayakar Peddi. Sponsored by Ministry of Agriculture and Farmers Welfare, GoI. Submitted to the coordinating centre AERC Prayagraj in December 2023.

ii) Ministry of Health and Family Welfare, Government of India, New Delhi

1. Completed fourteen separate NHM-PIP reports covering various levels of Health facilities in the fourteen districts of Maharashtra during the reference period. Persons involved in the data collection and report preparation were Vini Sivanandan, Bal Govind Chauhan, Rajendra S. Pol, Akram Khan, Ravi Durga Prasad, A Vivekanand and Baldev Singh Kulaste. Sponsored by MoHFW, New Delhi.
2. “Coverage and Quality of Health Condition Screening of Children under RBSK Program in Jalgaon and Nanded Districts of Maharashtra” by Rajendar Pol, Akram Khan and Bal Govind Chauhan. 2023.
3. “Use of Different Family Planning Methods and Availability of Family Planning Services in Different Districts (Health Circles) Of Maharashtra” by Akram Khan. Sponsored by MoHFW, New Delhi. Submitted on 12 March 2024.
4. “Trend Analysis of low birth weight in Maharashtra” by Rajendra Pol. Sponsored by MoHFW, New Delhi. Submitted on 27 May 2024.
5. “A district level enquiry of pregnancy wastage in Maharashtra” by Bal Govind Chauhan. Sponsored by MoHFW, New Delhi. Submitted on 9 January 2024.
6. Status of Elderly Vulnerability in India: A Decomposition Analysis” by Ravi Durga Prasad. Sponsored by MoHFW, New Delhi.

7. “Prevalence and Determinants of Hypertension among Pregnant Women Consuming Tobacco in India: Insights from the National Family Health Survey-5” by Mr. A. Vivekanand, Sponsored by MoHFW, New Delhi. Submitted on 11 March 2024.
8. “Understanding the Impact of Migration on Health and Education on Children: Review of literature” by Sagar Pagare. Sponsored by MoHFW, New Delhi. Submitted on 11 March 2024.

iii) Funded by External Agencies

1. “Addressing Early Growth Failure in Maharashtra” by Anjali Radkar. Sponsored by – UNICEF, Maharashtra Office, Nov. 2023.

B) Projects in Progress (2023-2024)

i) Ministry of Agriculture, Government of India, New Delhi

1. “Comparative Advantage of Price Realization to the Farmers on Sale of their Produce through Competitive and Innovative Marketing Channel Vis-à-vis Traditional Channel in the State of Maharashtra” by Deepak Shah and Jayanti Kajale. Sponsored by Ministry of Agriculture and Farmers Welfare, GoI.
2. “Detailed Analysis of Millets Value Chain in India: The Production, Processing, Consumption and Export” by Deepak Shah and Jayanti Kajale. Sponsored by Ministry of Agriculture and Farmers Welfare, GoI.
3. “Pradhan Mantri Kisan Samman Nidhi (PM KISAN): Performance, Problems and Prospects”, by Deepak Shah. Sponsored by Ministry of Agriculture and Farmers Welfare, GoI.
4. “Status of KCC in India with Special Reference to Animal Husbandry and Fisheries: A Realistic Assessment (Coordinated by AERC Jorhat)”, by Deepak Shah. Sponsored by Ministry of Agriculture and Farmers Welfare, GoI.
5. “Survey and Surveillance on Area, Production and Yield of Minor Millets, and two pseudo millets” by Jayanti Kajale.
6. “Concurrent Evaluation of PM Kisan Scheme-Maharashtra,” by Jayati Kajale. Sponsored by the Ministry of Agriculture and Farmers Welfare for Maharashtra.

ii) Funded by External Agencies

1. “Livelihood transition, poverty and child care transition and its effect on child under-nutrition in the tribal regions of India and South Africa” by Anjali Radkar, Hema Kesa, Angeline Jaykumar, Atreyee Sinha Chakraborty (Joint research project under the ICSSR–NIHSS India–South Africa Joint Research Programme in the field of social sciences) funded by Indian Council of Social Science Research(ICSSR).
2. “Study on Migration and Livelihood of Katkari (PVTG) in Maharashtra” by Anurag Asawa and Anjali Radkar. Sponsored by Janarth.
3. “Evaluation study on Schedule Castes Sub-Plan (SCSP) and Tribal Sub-Plan (TSP) components of Sarva Siksha Abhiyan (SSA) and Rashtriya Siksha Abhiyan (RUSA)” by Dr Ummed Singh, Dr G L Meena, Anurag Asawa, Dr Surendra Singh Nehra and Mr Bheem Singh Shekhawat sponsored by RUSA, 2.0 Programme under Components: 10 Research Innovation and Quality Improvement.
4. “District Strategic Plan for Parbhani District” by Anurag Asawa, Atreyee Sinha Chakraborty and Saylee Jog. Sponsored by Principal Secretary Planning Department, Government of Maharashtra.
5. “Making Mandede village in Mulshi taluka climate resilient and model net zero in carbon emissions” by CSD, GIPE.
6. “Evaluation of Backwardness of Maratha Community in a State for Maharashtra State Backwards Class Commission (MSBCC), Government of Maharashtra, Maharashtra” by Abhay Pathe, U.S. Mishra, R. Venkateswaran, Anurag Asawa, Vishal Gaikwad and Ayush Patel. Sponsored by Backward Class Commission, Maharashtra and Praj Industry.

Sr. No.	Courses	Faculty
1	Internship / Academic Research Project	

29th Annual Convocation of the Institute

The 29th Annual Convocation of the Gokhale Institute of Politics and Economics took place at the Kale Hall on the Institute campus. Shri Dharmendra Pradhan, Hon'ble Union Minister of Higher Education, graced the Convocation as Chief Guest and awarded the degrees to successful students. Besides, Shri Chandrakant Patil, Hon'ble Minister of Higher Education, Government of Maharashtra, also attended the Convocation as Guest of Honour. All total 397 students, including Five successful students were awarded Ph.D. degree, 40 students M.Sc. (Economics), 48 students from M.Sc. (Financial Economics), 54 students from M.Sc. (Agribusiness Economics), 39 students from M.Sc. (International Business Economics and Finance), 33 students from M.Sc. (Population Studies and Health Economics), and 42 students from M.A.(Economics), who successfully completed the programme in 2021-2023 batch were awarded their degree certificates. Besides, 118 students from the 2020-2023 batch were also awarded B.Sc.(Economics), and 18 students from the 2022-2023 batch were awarded the PGPFE certificate.

Shri Pradhan, in his address, encouraged the students to emphasise building competencies and life skills as the 21st century is going to be a knowledge-based society, where the primary source will be knowledge, he stated. Mentioning that India is going to be the most happening place in the next 25 years because of the country's youth power, he urged them to think big and move ahead with a vision of fulfilling society's aspirations and global responsibilities. Shri Pradhan and Shri Patil also launched the book "Chronicles of an Academic Citadel: Gokhale Institute of Politics and Economics, edited by N. Benjamin and Prabhash N. Rath, published by the Institute.

Public Lecture Series

Kale Memorial Lecture

Prof. Abhijit V. Banerjee, Ford Foundation International Professor of Economics at the Massachusetts Institute of Technology, Nobel Prize Winner in Economics in 2019, delivered the Eighty Second Kale Memorial Lecture 2021 on February 02, 2021, on 'What Do We Know About Poverty Traps?', at 6.30 pm, Kale Hall, GIPE.

Library Services

Gokhale Institute of Politics and Economics (GIPE) shares the Servants of India Society's Library (re-named as Dhananjayrao Gadgil Library) from 1930 onwards, i.e. since the inception of the Institute. This library is considered to be one of the foremost specialized libraries in India in the fields of economics and other related social sciences. The library has **286,769** documents and **258** journal titles received on subscription, exchange, gift, and depository basis. All the library management operations are automated using SLIM software. Library OPAC is accessible both on the LAN as well as Internet from <http://14.139.114.41/iopac>.

GIPE Library started the digitization work in 2011 and till March **2024** more than **34100** documents were digitized and uploaded on the Digital Library of GIPE, i.e. DSpace@GIPE. All these digitized documents are made accessible to the scholars around the world through our Institutional Repository <http://dspace.gipe.ac.in>

With a view to abreast the users about the new addition of books to the Library and the contents of the newly received journals, the library brings out

- 1) Fortnightly List of Articles on India, and
- 2) Annual Cumulative List of Articles on India

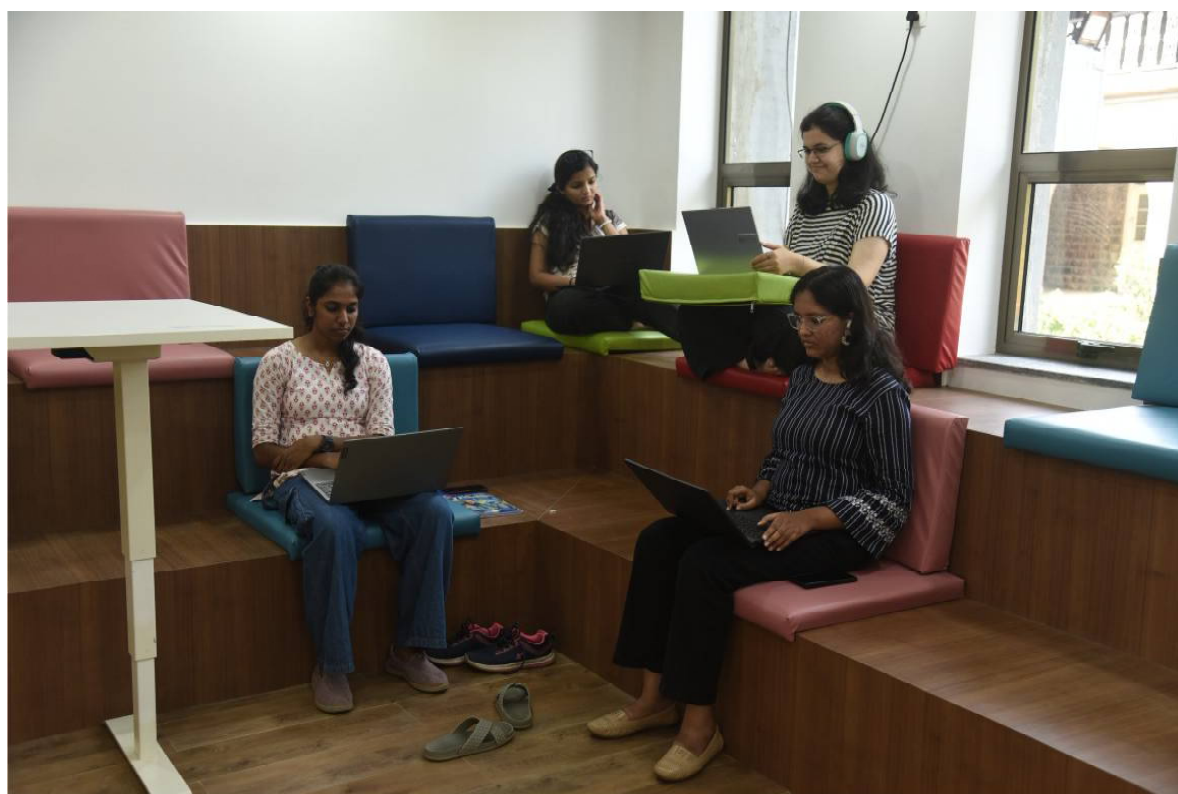

During the academic year **2023-2024**, the library procured 258 periodicals/journals which included 144 Indian journals and 114 foreign journals. Apart from these, library also subscribes to online databases like, EBSCO EconLit and Indiatat.com, Prowess, EPWRF etc. Besides, the Library also has access to JSTOR, EPW, and India Trade through UGC-Infonet Programme. The details of the current journals are given below:

Subscribed	: 122
Exchange	: 101
Gifts	: 026
Depository	: 009

The Library also added **2031** books to its collection in **2023 - 2024** with accession numbers ranging from **284739 to 286769**. **This includes the reaccessioning of over 1330 Gazettes and 83 Grey Literature Documents.** The cost of the books and journals purchased/subscribed are given below:

Expenditure on books	: Rs.15,22,450.00/-
Expenditure on journals	: Rs. 25,33,900.00/-
Other e-resources	: Rs. 3,30,928.00/-
Total expenditure	: Rs. 43,87,278.0

The Computer Centre

The Statistical Department

The Statistical Department helps the statistical research team at GIPE which assists faculty members, researchers and students with data analysis.

The Computer Centre housed in the Statistical Department is well-equipped with hardware and software to support research, teaching and training programmes of the Institute. A one-year Certificate Course on Computer Applications for Economic Analysis has been introduced for the past and present M.A./M.Sc. and Ph.D. students of the Institute to complement the training in economics received by them at the Institute. The students are equipped with the latest analysis/analytical tools such as STATA, EVIEWS, SPSS, MATHEMATICA, etc., in a specially designed certificate course which adds value and insight to theoretical learning.

In the computer laboratory, students have access to the internet both for reference work and communication. The most up-to-date resources for these purposes are at hand as the Institute subscribes to superior resource websites such as Encyclopaedia Britannica, JSTOR, Indiastat, Springer link, etc.

Consultancy and guidance services in data processing in collaboration with the Indian Council of Social Science Research

In the Computer Section, facilities for data processing are available to researchers. The Institute offers consultancy and guidance services in data processing in collaboration with the Indian Council of Social Science Research.

Publications

The Institute has been regularly publishing a quarterly journal of economics in English, Artha Vijnana since March 1959. It publishes results of research work carried out in the Institute as well as works of scholars from outside the Institute after a rigorous refereeing process. The journal achieved an important milestone in 2008 by completing its 50th year of continuous publishing. To celebrate the occasion, the Institute published a Golden Jubilee Special Issue of the Journal (Vol. 50, No. 4, December 2008). The Institute also publishes research works in the form of working papers, books and mimeograph series. The R.B.R.R. Kale Memorial Lecture, organised by the Institute every year on the occasion of the Founder's Day, is published under the Kale Memorial Lecture Series.

Editorial Board of Artha Vijnana

Editor	Ajit Ranade
Managing Editor	Dhanmanjiri Sathe
Editorial Board	Anurag Asawa, Prashant Bansode, Jean Drèze, K.S. Hari, Jayantee Kajale, K.L. Krishna, R. Nagarajan, Rajas Parchure, Anjali Radkar, Indira Rajaraman, Ajit Ranade, Bibhas Saha, Partha Sen, Deepak Shah, Sangeeta Shroff, Kailash Thaware
Advisory Board	Mukul Asher, Arindam Dasgupta, Lehman B. Fletcher, Jayant Lele, D.M. Nachane, Abhay Pethe, Artatrana Ratha, Dilip Ratha, Anushree Sinha, Takashi Yagi

The Institute published the following issues of Artha Vijnana during the year 2023-24:

Vol. 65, No. 2, June 2023

Vol. 65, No. 3, September 2023

Vol. 65, No. 4, December 2023

Vol. 66, No. 1, March 2024

Appointments, Retirements, Resignations, etc.

During the year, the following academic and non-academic staff joined, retired or left the Institute.

Name of the staff member	Designation	Joined/Retired/Left

Sayak Dutta	Senior Qualitative Researcher	Joined
Satheesha B	Senior Research Associate	Joined
Vitthal Thabbe	Research Associate	Joined
Ajay Kumbhar	Research Fellow	Joined

Staff Quarters and Hostels

The Institute has its own residential campus, about 700 meters away from the academic campus, with quarters for both teaching and non-teaching members of the staff. The residential campus also houses hostel facilities for male and female students. Besides, Institute has a well-furnished air conditioned Guest House mostly used to accommodate visitors to the Institute from time to time.

Its strategic location with respect to the Institute and the city ensures minimum wastage of time and resources in commuting, and provides the faculty members and students a peaceful environment in which to pursue their research or class work. However, the importance of recreation is fully recognized and on-campus provisions are made for several sports such as volleyball, table tennis, cricket, badminton, etc. The hostels have an adjoining dining hall and a TV room. The proximity of the hostels to the staff quarters allows students' interaction with the faculty members on a personal basis which also enhances faculty-student interaction and creates opportunities for discussions outside the class on issues of current economic importance.

Students' Activities

GIPE provides its students with an environment conducive to their all-round development. It not only encourages students to excel academically, but also inspires them to pursue their hobbies in sports, dance, music, quiz competitions and other activities. Active participation and tremendous enthusiasm is seen among students in the annual cultural event 'PULSE' and the annual sports week '*Utsaah*', to name a few.

Pulse, an intra-university cultural event provides a platform to the students to display their creativity, music, intellect and wit. The two-day cultural event hosts programmes across literary arts, performing arts and fine arts.

Equilibria is an in-house students' magazine that captures the independent view of the students through brief articles, views, interviews, etc. It also focuses on materials provided by the students as well as faculty members on various economic issues and even topics related to Politics and Sociology.

Veritas is the annual magazine of Gokhale Institute of Politics & Economics. It focuses on long format essays and articles on a host of topics such as Economics, Finance, International issues and Politics. It also features a cover story written by the Editorial Board.

Manan: As a part of its endeavour to take learning beyond the classroom, the Institute organizes several academic events that provide platform for students and faculties of the institute to simulate solutions to real life economics problems. Manan, the Economics festival organized by students, was started in 2012 to stimulate social and intellectual activities among students, and to develop in them an abiding interest in the study of Economics through events designed to test their innovation and imagination.

UTBT: Policy Discussions Under the Banyan Tree (UTBT) is a students' initiative. The Institute's campus has the historic Banyan Tree under which Gopal Krishna Gokhale and Mahatma Gandhi discussed issues of national importance under the British Raj and began charting the independence movement. Students and teachers alike gather under the Tree once a week and discuss and debate over a pre-decided aspect of Government policy.

GOKHALE INSTITUTE OF POLITICS AND ECONOMICS, PUNE 411 004
University Established under section 3 of the UGC Act 1956
