

# WHY RECRUIT FROM GIPE?

## GOKHALE INSTITUTE OF POLITICS AND ECONOMICS

---

- Investing in future professionals by nurturing them with the knowledge, technical skills, and innovative thinking that the corporate world is looking out for.
- Two year M.Sc. and M.A. programmes providing students with a robust research training in specialised fields making them industry ready.
- GIPE goes beyond the curriculum by offering specialized workshops and certifications like trade data analytics, NISM, and NCDEX. This ensures graduates have the most relevant skills for the job market.
- The learning approach at GIPE emphasizes hands-on experience. Students work with various statistical software like R, Python, and SQL, applying these skills to real-world projects.
