

## Recruitment Details Form

**Post Name:** Teaching Assistant

**No of Posts:** 12

**Post Type:** Temporary

**Period:** July-Dec 2024

**Job Description:** The teaching assistant (TA) will be typically a graduate/postgraduate student who will assist a faculty with instructional responsibilities. The TA will assist in creating and delivering learning material in a course. TAs may help develop assignments, quizzes and exams to meet a course's objectives and evaluation. Lecturing and tutoring will be a part of the TA's responsibilities. Where Professors typically lecture to an entire class, TAs will ensure the assimilation of the class and in case where additional teaching is required will coordinate with the faculty. They will also perform duties of invigilator.
