30-Nov-21	Workshop on 'Measuring Food-Energy-Water Nexus Footprint: A Case Study of Pune District'	

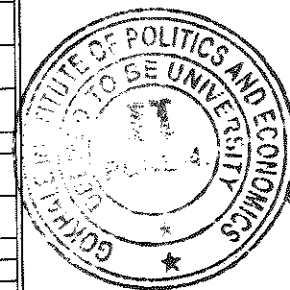

4th January 2022	<p>Webinar on International financial institutions: Agriculture:Climate change-At present the whole world is going through two major challenges one is climate change and second is crises in agriculture. These two sectors are now fighting ground in international politics. Climate change and agriculture are critical sectors for the growth of the Indian economy. Policies of international financial institutions like WTO, World Bank, Asian Development Bank, UNFCCC etc. are making a direct impact on the Indian agriculture sector and climate change policies. Climate change has to be accommodated in the agricultural economy for the long term sustainable economic development.</p>	
4th March to 5th March, 2022	<p>The Digital Population Clock & 6th Knowledge Dissemination Workshop' -This workshop is jointly hosted by the Ministry of Health and Family Welfare and the Population Research Centre, Gokhale Institute of Politics and Economics, Pune, and aims to present the results of research-based inputs related to the Health and Family Welfare Programs and Policies at the national and state levels.</p>	
9th June to 11th June, 2022	<p>'Intensive Workshop on Political Economy: Theory and Data Analysis'</p>
