Dear Sir/Madam,

As you know, Aseem Foundation is a non-governmental organization committed to developing and establishing connections between the people from the disturbed border regions and from the rest of India.

Aseem Foundation was established on 1<sup>st</sup> May 2010 with a universal theme cutting across economic, social, religious, or ideological differences to change the society. It resolves to bridge minds who want to change things for better through its work in the fields of Education, Entrepreneurship and Development.

**As part of our awareness initiatives, we are undertaking a movement to showcase solidarity for the nation and its armed forces** who have been displaying extraordinary courage and valour defending our frontiers, especially during the standoff with China. We are making a **digital photo wall on our website, where common citizen will post their photos holding a lamp of solidarity as a mark of their participation.**

**We request you to spread this movement to the students, teachers, and staff from your esteemed institution.** With more participation, our feelings of being a stakeholder thread in our magnificent national fabric will get stronger and firmer than ever.

Sincerely,

Mr. Sarang Gosavi  
President, Aseem Foundation
