

Recruitment Details Form

Post Name: Research Assistant

No of Posts: 1

Post Type: Temporary

Period: 4 months

Name of the Project: Study of the Employment Elasticity of Manufacturing and Value-Added Services Sector for Maharashtra

Job Description:

Research Assistant will provide comprehensive support throughout the implementation of the research project. These roles require highly motivated individuals with strong skills in research design, primary data collection, and both qualitative and quantitative data analysis.

Key responsibilities:

- Reviewing and synthesizing relevant secondary literature
- Assisting in the development of research tools for primary data collection
- Monitoring and evaluating data collection processes
- Conducting data analysis (qualitative and quantitative)
- Contributing to the preparation and writing of research reports

Minimum Qualifications:

Master's degree (MA/MSc) in Economics, Applied Economics, Statistics, or relevant field with a minimum of 55% marks or equivalent grade.

Desirable Qualification

- Familiarity with key data sources, including: NSSO reports, PLFS (Periodic Labour Force Survey), Census data, Economic Survey, ASI (Annual Survey of Industries), and DES Maharashtra datasets.
- Sound understanding of industry classification systems (e.g., NIC codes)
- Experience in primary data collection and fieldwork
- Ability to manage, clean, and analyse large datasets effectively
- Knowledge of relevant labour laws such as the **Mathadi Act** and the **Industrial Disputes Act**
- Technical Skills: Proficiency in the use of statistical and econometric tools including: R programming, Stata, and EViews.

- Knowledge of Marathi.

Experience: 1 to 2 years

Consolidated Pay: Commensurate with qualification with and experience

Application Deadline: 11-6-2025

Joining Date: Immediate
