Tender No. : File Ref. No. 28.3/177/2026
Pre-Bid Meeting : 20 February, 2026 at 03:00 PM.
Last Date of Submission : 26 February, 2022 at 01:00 PM.

SECTION I

BACKGROUND

1. Aims & Objectives of the tender

GIPE has decided to conduct "Computer Based Test (CBT-2026 and onwards) for following POST GRADUATE and UNDER GRADUATE PROGARMMES at 5-20 CITIES in India.

1. M.Sc. (All Programms) which is **common entrance test**.
2. M.A. (Economics)
3. B.Sc. (Economics)

GIPE intends to select an agency to execute the Computer Based Test and all related administration like processing of results and handover all data base to the GIPE within given time and as per schedule time. Also, agency will provide all entrance exam related IT support to GIPE for the composite declaration of the entrance exam results as per requirements.

SECTION-II

2. SCOPE OF THE WORK:

2.1) General

1) Vendor should have necessary where withal in terms of technology and infrastructure to conduct online examinations for the candidates enrolled for various courses offered by GIPE.

The bidder should own or be an authorized licensee for the application software to conduct online examinations. The bidder should provide necessary proof to GIPE. Detailed technical specification of online examination is given in **Annexure-5**.

2) Centres of the bidder shall be permitted to be used for conducting online examinations for GIPE .The bidder should have a direct and indirect supervision over the online examination centres. It would be the responsibility of bidder to conduct the online examination at the place and centre strictly as per the guidelines of GIPE. Minimum facilities required at test centres in **Annexure -6** and List of test centres are given in **Annexure-7**.

3) The online examination to be conducted every year, starting from 2026.

4) GIPE shall develop a question set for each subject on the basis of which online examination is conducted. It would be the responsibility of the vendor to put in place all the security measures to protect this question bank from leakage, unauthorized access, hacking or any other security threats. GIPE reserves the rights to change the question bank as and when required, without additional cost.

5) GIPE shall share the centre wise details of the candidates who intend to appear for the online examination. It would be the responsibility of the vendor to provide slots to the candidates at the centre preferred by the candidate and also to communicate these details to the candidates immediately through

Tender Online Examination (Computer Based Test) PG and UG Programmes Page 2 of 27

SMS, WhatsApp and E-mail.

6) The examination is to be conducted as per the guidelines of GIPE. Any deviation in conduct of the examinations from these guidelines and the liability arising out of the same is to be entirely borne by the vendor.

7) The vendor must provide the candidates data in the format as desired by GIPE.

8) No extra license fees should be charged by the shortlisted bidder for implementing the software in the test environment and at the Disaster Recovery.

9) The ownership of entire data will be solely on GIPE. The vendor shall retain the data of the candidates including the question paper & the answers up to one year from the date of examination. GIPE may demand such data as and when required. The bidder should take a backup of the data before destroying and submit the same in encrypted and password protected format to GIPE. All the backups must be kept in fire proof vault while it is at the bidders premise. The bidder has to handover complete data in a restorable format within 2 days whenever required by GIPE.

10) The technically eligible bidders shall be required to demonstrate the Proof of Concept (POC) on a test bed showing detailed functionalities of the software solution for the suggested workflow at their own cost to the satisfaction of GIPE.

11) The Applicant should submit Compliance Statement in the prescribed format (**Annexure-8**). Further the bidder may specify the details of additional functionalities being offered to GIPE as part of their solution, without any extra cost.

12) The service provider shall be responsible for providing a Tier 3 Data Centres for Primary data centre and Disaster recovery (DR) facility within India. The DR should be in a different seismic zone. The service provider shall ensure and maintain following parameters

a. Recovery Point Objective(RPO)– 15 Minutes

b. Recovery Time Objective (RTO) – 30 Minutes

2.2 Operations

1) GIPE shall provide the guidelines for making of the forms/registration and other details as needed by the Bidder team from time to time.

2) To complete registration process of the candidates before start of examination (digital photo, bio-metric finger print etc) and after that allow candidates to appear for test at Examination Centres.

3) GIPE shall also inform the window period during which the students can appear for the examinations at the said centres.

4) Bidder shall verify the name and particulars of the students appearing for examination with the names and particulars of the students received from the data supplied by GIPE and thereupon shall permit the concerned students to appear for the respective online examination.

5) In addition to the names and particulars, GIPE shall also inform the subjects required to be fixed/allotted to the respective student for the purpose of giving online examinations.

6) Question Paper will be of multiple choice questions, some involving mathematical/ statistical expressions/ formulae.

- i) Duration of examination will be one hour.
- ii) Medium of examination will be English

The test is to be conducted on day and date as decided by the GIPE (to be uploaded on website www.gipe.ac.in)

GIPE shall forward the online multiple choice questions in a format specified by the bidder only through uploading it in a minimum 128-bit encrypted File Transfer Management for authoring.

7) The bidder shall strictly take care that the concerned students are permitted to appear/give the online examination in the specified period and by going through the prescribed questions, that are sent by GIPE to the BIDDER. The bidder shall provide most convenient route map from the nearest railway station(s), bus stand(s) and airport to their examination centre(s).

8) It shall be the responsibility of the bidder to see that no question from the online examination should be leaked or nobody should have the access to make any correction of whatsoever nature, once they have submitted after completion of the period of online examination.

9) The bidder shall provide the Internet Connection, Computers, necessary Software and other Computer related help to the students for giving online examination and shall also provide sufficient convenient space, table, chair etc. to the students appearing for the examination, conducted by GIPE.

2.3) Duties and responsibilities of the bidder

1) The bidder shall take every care that all the necessary facilities and arrangements as mentioned in **Annexure-5 and Annexure -6**, required for the purpose of conducting the examination shall be made readily available to the students appearing for the online examination, organized and conducted by GIPE.

2) The bidder shall strictly adhere to the instructions and directions given by GIPE regarding the organizing and conducting the examination at various centres of the BIDDER and shall also strictly follow-up the schedule and programmes for examination that may be forwarded to them by GIPE.

3) The bidder and its centres shall maintain utmost secrecy about the examination programme as well as question that may be forwarded to it.

4) In case any complaint is received regarding the breach of any of the responsibilities, cast on the bidder and its Officers at various centres, then GIPE shall have the right to take cognizance of the same and incase the same are found to be true, the necessary escalations can be done at a higher level by GIPE and necessary actions can be taken for the same.

5) The bidder shall appoint the Supervisor/Invigilators for conducting the online examination on its respective centres.

6) The bidder will ensure that the centres install and maintain necessary security controls and measures in respect of the equipment/infrastructure provided to students as per **Annexure-6** for taking the online tests

and further shall also ensure the integrity of the Test process at all centres.

7) The bidder shall be responsible for training suitable personnel who would be authorized as its supervisors by the bidder for the online Tests. The bidder is and shall be bound by the acts of commission and omission by its supervisors and other employees authorized as its supervisors for the online test notwithstanding the fact that such personnel not being on the pay rolls of the bidder.

8) The bidder covenants and warrants to GIPE that it is the lawful owner of all the rights, title and interest (including copyrights) in respect of the testing services and system. The bidder shall at all times be responsible for managing the system and for compliance of all laws in force, for the test delivery services provided. GIPE acknowledges that the bidder possesses proprietary rights in respect of the said test delivery systems.

9) During the subsistence of this Agreement, the bidder is free to provide its services, including online Testing services, to any other parties. In other words, bidder is providing a non- exclusive service to GIPE under this agreement. However the same shall not cause any hindrance or obstruction in the services that may be provided to GIPE. Similarly, GIPE shall also have the right to procure similar services from any other vendor without any reference to the selected bidder under this agreement.

10) The bidder should have Helpdesk Support to resolve candidate queries. To provide documented inputs and support for handling

- Students queries
- RTI queries
- Court Cases

Note: The agency shall have to carry/ demonstrate complete System Test Run (STR) with test data to the GIPE before implementation. The agency should also be able to demonstrate click by click audit trail for any type of enquiry.

2.4) Responsibilities of GIPE

1) GIPE shall be responsible to provide the detailed particulars about the students appearing for the online examination at various respective centres to the bidder. The bidder shall provide a specific arrangement for the same and the machinery for providing the said, shall be set up in consultation with GIPE for the same and the bidder shall be required to strictly adhere for the same.

2) GIPE shall provide the requisite online question of multiple choices. It shall be the responsibility of GIPE to declare the final results and selected the bidder shall not be concerned or responsible for declaration of results or any anomalies if any existing at any time.

3) GIPE shall be responsible for answer to any of the queries or questions of any local authority or the Government Authority regarding conducting the online examination. However, providing the licensed Software to the Computer, used for conducting the online examination shall always be the responsibility of the bidder.

4) GIPE and the bidder shall cooperate with each other in taking necessary action against erring students.

Names of cities is enlisted in Annexure-7. Depending upon the number of applications, the number and

Tender Online Examination (Computer Based Test) PG and UG Programmes Page 5 of 27

name of the examination centres would be finalized by GIPE. Number of cities and shifts may increase or decrease on mutual understanding. Programme wise Data of the Candidates shall be made available by the GIPE

5) GIPE covenants that its students shall conduct themselves in an orderly manner and shall abide by all the rules and regulations laid down by GIPE and the bidder or the Test centres and in case of any unruly behavior GIPE agrees that such students shall be removed from the Centre by the supervisors and no claims whatsoever will be entertained by the BIDDER in this regard.

SECTION-III

3. GENERAL INFORMATION AND INSTRUCTIONS TO THE BIDDERS-

3.1 The tender is "Two Bid" document. The **technical bid** should contain all the relevant information and desired enclosures in the prescribed format along with Earnest Money Deposit (EMD). The **financial bid** should contain only commercial. In case, any bidder encloses the financial bid within technical bid, the same shall be rejected summarily.

3.2 All information called for in the enclosed forms should be furnished against the respective columns in the forms. If information is furnished in a separate document, reference to the same should be given against respective columns in such cases. If any particular query is not applicable, it should be stated as "Not Applicable". However, the bidders are cautioned that not giving complete information called for in the tender forms or not giving it in clear terms or making any change in the prescribed forms or deliberately suppressing the information may result in the bidder being summarily disqualified. Tenders made by fax and those received late will not be entertained.

3.3 The Tenders should be typewritten or handwritten but there should not be any overwriting or cutting. Correction, if any, shall be made by neatly crossing out, initialing, dating and rewriting. **The name and signature of bidder's authorized person should appear on each page of the application.** All pages of the tender document **shall be numbered and submitted as a package along with forwarding letter on agency's letter head.**

3.4 The bidder should enclose **EMD of Rs. 50,000/- (Rupees fifty Thousand only)** in form of Demand Draft drawn in favor of Director GIPE, and payable at Mumbai. The tenders without EMD shall be summarily rejected. The EMD of the unsuccessful bidders shall be returned without interest after award of contract to the successful bidder. The EMD stands forfeited in case the bidder withdraws or amends his bid after submission of tender document. Upon selection the agency has to submit Security Deposit of equal to total project value. EMD for the selected bidder will be retained with the institute till Completion of the Admission process or 120 days whichever is later.

3.5 Reference, information and certificates from the respective clients certifying technical, delivery and execution capability of the bidder should be signed and the contact numbers of all such clients should be mentioned.

3.6 The bidder is advised to attach any additional information, which he thinks is necessary in regard to his capabilities to establish that the bidder is capable in all respects to successfully complete the envisaged work. He is however, advised not to attach superfluous information. No further information will be entertained after tender document is submitted, unless the GIPE calls for it.

3.7 Even though agency may satisfy the qualifying criteria, it is liable to disqualification if it has record of poor performance or not able to understand the scope of work etc. Or it is found that bidder has provided incorrect or misleading information.

3.8 The tender document has to be downloaded from GIPE web site <https://gipe.ac.in> and submitted along with a **fee of Rs. 1,000/- + 18% GST = Rs. 1180/- (non refundable)** in form of demand draft in favor of Director GIPE, Pune payable at Pune. There is no exemption from payment of tender document fees and tenders without requisite fees shall not be accepted. The technical and financial documents should be kept separately in sealed envelopes and both these envelopes should be kept in one envelope super scribbling "Tender for Computer Based Test, Administration and Processing" for CBT-2026 so as to reach Registrar GIPE, Pune. The EMD must be placed in a separate envelop & not with financial Bid. Late tenders shall not be accepted. The technical bid shall be opened on same day at 3.00 pm in presence of bidders who may like to be present.

3.9 All disputes arising shall be subject to the jurisdiction of appropriate court of Pune (India) alone and shall be governed by the law of India. The Offg. Director GIPE reserves right to award the work/cancel the award without assigning any reason. In case of differences, if any, the decision of the Offg. Director, GIPE shall be final. The work can be awarded to one or more agencies if need arises. Initially the contract will be for one year extendable upto 3 years upon successful completion of the job.

3.10 The payment shall be in Indian Rupees and shall be paid only after successful completion of work without error and delays. No advance payment shall be made and the successful bidder has to sign an agreement on non-judicial stamp paper which shall contain clause related to liquidated damages on account of delays, errors, cost and time over runs etc. In case the bidder fails to execute the contract, GIPE shall have liberty to get it done through any other agency with full cost recoverable from the bidder in addition to damages and penalty. (Maximum up to 10 % work order)

3.11 Bidders are neither allowed to join hands to participate in the tender nor allowed to submit multiple bids. In case found otherwise, their bid is liable to be rejected. Subletting of the work will not be allowed.

4. EVALUATION OF THE BIDS-

4.1 Technical Evaluation-

Detailed technical evaluation shall be carried out by Technical Evaluation Committee pursuant to details and other conditions in the tender document to determine the substantial responsiveness of each tender.

The technical evaluation committee will have decided qualified technical bidder and may call the responsive bidders for discussion or presentation to facilitate and assess their understanding of the scope of work and its execution. However, the committee shall have sole discretion to call for discussion/presentation.

4.2 The final selection of the agency will be based on QUALITY AND COST BASED SELECTION

There will be 50 % weightage for Technical Evaluation (T.E) and 50 % for Financial Evaluation GIPE Criteria for Technical Evaluation will be:

1. Turnover of the organization Position (10marks) – Based on balance sheet/Profit & Loss Account
2. Software/ Solution (15 marks) - Ease & understanding of software during presentation
3. Similar work Experience with other institutions (15 marks) - Number of years & No. of projects during
4. Manpower capability (5 marks)
5. Proven Test Capability (5 marks)- Reference & success record

Document related to above may be submitted

4.3 Commercial/Financial Bid Evaluation:

The financial bid shall be opened of only those bidders who have been found to be technically eligible after presentation. The financial bids shall be opened in presence of representatives of technically eligible bidders, who may like to be present. The GIPE shall inform the date, place and time for opening of financial bid.

I/we have read all the Terms & Conditions of the tender and agree to the same.
